Letter No. 218/44 of 26 October 1903 from the Dy Commissioner Shimoga &c

Subject

Formation of District and Taluk Boards.

In the case of District Board members submitted for sanction with the above letter, there are 25 members, 7 whom 8 are ex-Officio and the rest non-official members. This is in accordance with the provisions laid down in the Rules. As regards non-Official members, there ought to be one non-official representative from each of the Taluks in the District under clause (d) of Sec. 8 of the Rules & the rest to represent interests or communities. Which of the residents of each Taluk included in the list of District Board members is intended to be the Taluk representatives under clause (d) and which the representatives of the other interests under clause (e) cannot be made out from the list submitted by the President to enable this Office to prepare the Notification

Notification May this information
2nd be called for and the Dt Commis
sioner requested to submit his re-
commendation in regard to the ap-
pointment of Vice President of the
District Board.

(2) Referring to Taluk Board
members, the Dt Commissioner States with
reference to Clause (e) of rule 7 tha
he understands that the 4 members
therein referred to are for the present
to be appointed by Government as
in the case of District Board
members coming under clause (d)
of rule 8, there being no time
for their election as both the Dis
trict and Taluk Boards have
to come into existence on the 1st No-
vember 1903. This interpretation
does not appear to be correct, as
representatives on Taluk Boards
should be elected by ~~resident~~
holders or proprietors of land
even on the first occasion, the
exemption allowed being only in
the case of Taluk representatives

on

5 on District Boards under clause (d) of rule 6 and para 6 of Govt. Pro. No C 11-24 L.B.66-03 of 7 October 1903 and not in respect of members under clause (e) of rule 7. Also may they be pointed out and the President asked to take steps for the election of 4 Raldars of Land in each Taluk.

In para 5 of his letter the President states that there may be only 8 members on each Taluk Board, 4 ex-officio, one elected Municipal member and 3 appointed by Govt; the remaining 4 members being allowed to be elected in due course after the lists of voters are prepared. It is submitted that there can be no Taluk Board with 8 members, inasmuch as the proportion between official & non-official (4 ex-officio & 4 non-official) members would not be as 1:2 as required by sec. 4 of Regulation II of 1902.

May the list be returned for early steps being taken for election of Taluk members and the submission of revised lists at an early date together with the list of elected

Dated 26th October 1903

From

H. Venkata Rao Esquire
Offg Deputy Commissioner
Shimoga District.

To

H. V. Nanjundayya Esquire B.A., B.L.
Secretary to the Government of Mysore
General and Revenue Department,
Bangalore

Sir,

With reference to Government Proceedings No C 1-26/2.B.66-03 of 7th instant and rules 5, 7, and 8 of rules framed under Local Boards Regulation No II of 1902, I have the honour to forward herewith the accompanying lists of names of the members constituting the District and Taluk Boards under the new Regulation, which are to come into existence on the 1st day of November 1903 as per rule 5 of the said Regulation.

The list relating to the District Board is complete according to the rule. In the Taluk Boards' lists the names of members to be elected by the respective municipal

Boards

Board under clause (f) of rule 7, have been omitted as the result of the elections in the Taluks has not as yet been communicated to me.

(3) With reference to clause (e) of rule 7 I have understood that the 4 members therein referred to are for the present to be appointed by Government as in the case of District Board members coming under clause (d) of rule 8 there being no time for their election as both the District and Taluk Boards have to come into existence on the 1st of next month

The Dy Comrs surmise is incorrect - The Rule is clear
14/11/11

(4) I have therefore submitted the names of four members for each of the Taluks for appointment as members of the Taluk Boards under the aforesaid clause (e) of rule 7.

(5) If however the Taluk Boards may consist of only 8 members made up of the 4 ex-officio members referred to in clauses a, b, c, and d the one member to be elected

elected from head-quarter municipality, and 3 members to be appointed by Govern-ment under clause (b) of rule 7, the other 4 members of clause (c), may be allowed to be elected in due course after the lists of voters are prepared

As soon as the names of the elected municipal members are received from the Taluks, they will be communicated to you.

I beg to request that the sanction of Government to the appointment of members to the District and Taluk Boards, who are to be appointed by Government may be obtained and communicated to me early, so as to enable me to do the needful for bringing the new Taluk and District Boards into existence on the 1st of next month as directed in rule 5.

I have the honor to be

On furnishing a separate list of District Board members the President is requested to submit his recommendation in regard to the appointment of Vice President of the District Board.

(2) As regards Taluk Board members, it is observed that representatives on Taluk Boards under clause (c) of rule 7 should be elected by holders or proprietors of land even on the first occasion, the exemption allowed being only in the case of Taluk representatives on District Boards under clause (d) of rule 8 and para 6 of Govt: Pro. 3 Reference to para 5 of the President's Letter Govt note that there can be no Taluk Board with 8 (4 ex-officio & 4 non-official) members in as much as the proportion between official & non official members would not be as 1 and 2 as required by sec 4 of Regulation II of 1902. The election of Lower Kalderu of land under para 7 clause (e) is therefore unnecessary for the constitution of a Taluk Board.
